Upon receipt of locked-in pension assets pursuant to the *Supplemental Pension Plans Act* (Quebec), the Plan Carrier and Planholder agree, further to the declaration of trust for the above-named retirement savings plan, as follows:

1. **Pension Legislation.** For the purposes of this Addendum the word "Act" means the *Supplemental Pension Plans Act* (Quebec) and the word "Regulation" means the *Regulation Respecting Supplemental Pension Plans* made under the Act.
2. **Definitions.** All terms in this Addendum which are used in the Act or Regulation have the same meaning as under the Act or the Regulation. In this Addendum, "Plan" has the same meaning given in the declaration of trust for the above-named retirement savings plan and "Planholder" means the planholder, accountholder or annuitant under the declaration of trust and application form.
3. **Spouse.** The word "spouse" means, in relation to the Planholder, another person who,
 - (a) is married to or in a civil union with the Planholder;
 - (b) has been living in a conjugal relationship with the Planholder who is neither married nor in a civil union, whether the person is of the opposite sex or the same sex, for a period of not less than three years, or for a period of not less than one year if:
 - (i) at least one child is born, or to be born, of their union;
 - (ii) they have adopted, jointly, at least one child while living together in a conjugal relationship; or
 - (iii) one of them has adopted at least one child who is the child of the other, while living together in a conjugal relationship.

Notwithstanding anything to the contrary contained in the Plan, this Addendum or any endorsements forming a part thereof, for the purposes of any provision of the *Income Tax Act* (Canada) respecting registered retirement savings plans, "spouse" does not include any person who is not recognized as a spouse or common-law partner under the *Income Tax Act* (Canada).

4. **Transfers Into the Plan.** The only assets that may be transferred into the Plan are sums originating, directly or initially, from:
 - (a) the fund of a registered pension plan governed by the Act;
 - (b) a supplemental pension plan not governed by the Act namely:
 - (i) a supplemental pension plan governed by an Act emanating from a legislative authority other than the Parliament of Québec and granting entitlement to a deferred pension; or
 - (ii) a supplemental pension plan established by an Act emanating of the Parliament of Québec or from another legislative authority;
 - (c) another locked-in retirement account which is a registered retirement savings plan under the *Income Tax Act* (Canada) and meets the requirements of the Regulation;
 - (d) a life income fund which is a registered retirement income fund under the *Income Tax Act* (Canada) and meets the requirements of the Regulation; or
 - (e) an annuity contract referred to in section 30 of the Regulation.

Any transfer into the Plan must be on a tax deferred basis under the *Income Tax Act* (Canada).

5. **Requirement to Provide Life Pension.** Except as otherwise provided in this Addendum, the balance of the account of the Plan may only be converted into a life pension guaranteed by an insurer and established for the duration of the life of the Planholder alone or for the duration of the life of the Planholder and the life of his spouse. The Planholder may require the conversion at any time, unless the term agreed to for the investments has not expired. The periodic amounts paid under the life pension must be equal, unless each amount to be paid is uniformly increased by reason of an index or a rate provided for in the contract or uniformly adjusted by reason of a seizure effected on the benefits of the Planholder, a redetermination of the Planholder's pension, partition of the Planholder's benefits with his spouse, the payment of a temporary pension under the conditions provided for in section 91.1 of the Act or the election provided for under paragraph 3 of the first paragraph of section 93 of the Act. Such life pension must be a qualified investment as an annuity, as provided under section 146 of the *Income Tax Act* (Canada).
6. **Spouse's Life Pension.** The balance of the Plan may not be converted into a life pension guaranteed by an insurer unless, at the death of the Planholder who is a member or former member, a life pension equal to at least 60% of the amount of the Planholder's pension (including, during the replacement period, the amount of any temporary pension) is granted to the Planholder's spouse, who has not waived it.
7. **No Withdrawals.** Except as provided in the Act, the Regulations or this Addendum, any withdrawal, commutation, surrender or transfer of all or part of the balance of the Plan is prohibited (except where an amount is required to be paid to the Planholder to reduce the amount of over contribution penalty tax payable under Part X.1 of the *Income Tax Act* (Canada)).
8. **Transfers Out of the Plan.** The Planholder is entitled, at any time before the conversion of the total balance of the Plan into a life pension as provided under paragraph 5 of the Addendum, to transfer all or part of the balance of the Plan into:
 - (a) the fund of a registered pension plan governed by the Act;

 - (d) a life income fund which is a registered retirement income fund under the *Income Tax Act* (Canada) and meets the requirements of the Regulation; or
 - (e) an annuity contract referred to in section 30 of the Regulation, where the transfer is made in accordance with subsection 146(1) of the *Income Tax Act* (Canada) provided the term agreed to for the investments under the Plan has not expired. Any transfer out of the Plan must be on a tax deferred basis under the *Income Tax Act* (Canada).
9. **Pension Must Commence Prior to Maturity.** The Plan matures by the end of the calendar year in which the Planholder attains the age of 71 or such greater age permitted by the *Income Tax Act* (Canada). The Planholder must commence receipt of a life pension under paragraph 5 or transfer the balance of the Plan pursuant to paragraph 8 of this Addendum by the maturity date. If the Plan Carrier does not receive instructions from the Planholder by the end of the calendar year in which the Planholder become age 71, the Plan Carrier may in its discretion transfer the balance of the Plan pursuant to subparagraph 8(d) of this Addendum, and the Planholder will be responsible for any related administration expenses.

Such certificate must be provided to the Plan Carrier.
11. **Payment Due to Non-Residency.** The Planholder may, provided the agreed to term of the investments has not expired, require a lump sum withdrawal of the full balance of the Plan if the Planholder provides the Plan Carrier with
