Related and Connected Issuers

Terminology
Where we act as your broker, advise you, or exercise discretion on your behalf with respect to securities issued by us or a related party or a connected party in the course of distribution, we must disclose to you our relationship with the issuer of the securities.

- An issuer is related to us if we are an influential securityholder of theirs, or they are an influential securityholder of ours, or if we have a common influential securityholder.

- An issuer is connected to us where a reasonable prospective purchaser of their securities might question the issuer’s independence from us, a party related to us, one of our directors or officers or a director or officer of our related party.

- A party is associated with us if we beneficially own, directly or indirectly, securities carrying more than 10% of the voting rights of the party, or if the party is a trust, if we have a substantial beneficial interest or we, or another party in a close relationship to us such as one of our salespeople, directors or officers serve as trustee.

Bank of Montreal
We are a wholly-owned indirect subsidiary of Bank of Montreal. Bank of Montreal is a reporting issuer with securities listed and trading on the Toronto Stock Exchange and the New York Stock Exchange. Because Bank of Montreal is an influential securityholder of ours it is considered to be a related party and where its securities are being distributed to the public it would be considered to be a connected party under Canadian securities laws.

• BMO Asset Management Inc.,
• BMO Private Investment Counsel Inc.,
• BMO Asset Management Corp.,

Where to find Information
Where we act for you in transactions involving related and/or connected issuers a conflict between our interest and yours may arise. In such case the potential conflict will be disclosed to you in the following places:
• Where we act as underwriter for an issuance of securities of a related or connected issuer, the prospectus (or other document being used to qualify those securities) will contain a description of the nature of our relationship with the issuer.
• Where we buy or sell securities of a related or connected issuer for your account, the confirmation of the trade and your monthly statement will indicate that the issuer is a related and/or connected party.
• Where we advise you with respect to the purchase or sale of securities of a related and/or connected issuer we will notify you of our relationship with the issuer when giving you the advice.
• Where we exercise discretion, under your authority, in the purchase or sale of securities for your account, we will obtain your prior specific and informed written consent before exercising that discretion for transactions involving related and connected issuers.

Acting as Principal
In certain instances where we act as your broker or exercise discretion on your behalf, securities purchased for you may be bought from or sold to us, a party associate with us or, in the course of distribution, a connected party.
