2. Definitions

All terms in this Addendum which are used in the Act, Regulations or Directives have the same meaning as under the Act, Regulations or Directives. In this Addendum,

- “Fiscal Year” means a fiscal year of the LIF;

and is cohabiting or has cohabited with the Planholder within the preceding year.

The word “Principal Beneficiary” means the Spouse of a Planholder or where the Planholder has a Cohabiting Partner, the Planholder’s Cohabiting Partner.

Notwithstanding anything to the contrary contained in the Plan, for the purposes of any provision of the *Income Tax Act* (Canada) respecting registered retirement income funds, “Spouse”, “Cohabiting Partner” and “Principal Beneficiary” do not include any person who is not recognized as a spouse or common-law partner under the *Income Tax Act* (Canada).

4. Division of Pension Benefits on Marriage Breakdown

The Plan is subject, with any necessary modifications, to the division of pension benefits on marriage breakdown provisions in Part VI of the Act.

5. Transfers Into the Plan

The only assets that may be transferred into the Plan are assets originating, directly or indirectly, from:

- the pension fund of a registered pension plan that conforms with the Act and the Regulation;
- a Locked-In Retirement Account that conforms with Directive No. 4;
- another LIF that conforms with Directive No. 5; or
- a Locked-In Retirement Income Fund that conforms with Directive No. 17.

Any transfer into the Plan must be on a tax-deferred basis under the *Income Tax Act* (Canada).

6. Who May be a Planholder – Consent of Principal Beneficiary

The following persons may become Planholder under a Plan with this Addendum:

- a member or former member of the pension plan who has obtained the written consent of his or her Principal Beneficiary, if any; or

- b. the Principal Beneficiary or former Principal Beneficiary of a member or former member if the Principal Beneficiary or former Principal Beneficiary is entitled to a pension benefit as a result of the death of the member or former member or as a result of marriage breakdown.

7. Transfers Out of the Plan

The Planholder may transfer any or all of the Locked-In Assets:

- a. before December 31st in the year in which the Planholder reaches the age at which a pension benefit is required to begin under the *Income Tax Act* (Canada), to the pension fund of a registered pension plan subject to the Act or to a registered pension plan subject to the pension benefits legislation of a designated province, as defined in the Act, or of Canada;
- b. before December 31st of the year in which the Planholder reaches the age at which a pension benefit is required to begin under the *Income Tax Act* (Canada) to a Locked-In Retirement Account that conforms with Directive No. 4.
- c. in accordance with paragraph 60(l) of the *Income Tax Act* (Canada) to purchase a life annuity contract that meets the requirements of the Superintendent.
- d. to another LIF that conforms with Directive No. 5; or
- e. to a Locked-in Retirement Income Fund that conforms with Directive No.17.

In accordance with paragraphs 146.3(2)(e) and (e.2) of the *Income Tax Act* (Canada), the Plan Carrier will retain sufficient Locked-In Assets to satisfy the requirement to pay the minimum amount to the Planholder for the year.

8. Investment and Value of Locked-In Assets

The Locked-In Assets shall be invested and re-invested on the direction of the Planholder as provided in the declaration of trust. For the purpose of transfer of assets, purchase of an annuity or payment upon the Planholder's death, the value of the locked-in assets shall be the aggregate market value of the assets held in the Plan, valued in accordance with the Agent's regular practice as of market closing immediately prior to such transfer or payment.

9. Fiscal Year of Plan

The fiscal year of the Plan ends on December 31 of each year and must not exceed 12 months.

10. Payment Out of the Plan

Payment out of the Plan must not begin before the earlier of age 55 or the earliest date on which the Planholder who is the member could receive a pension benefit under the Act or the originating pension plan from which the Locked-In Assets were transferred. Payment must not begin later than the last day of the second fiscal year.

11. Amount and Frequency of Payments

The Planholder must notify the Plan Carrier by instructions of the amount and frequency of the payments for each fiscal year. If the Planholder does not give instructions as to the amount of the payments or instructs an amount less than the minimum amount for the fiscal year, the minimum amount prescribed for a registered retirement income fund under the *Income Tax Act* (Canada) will be paid. If the Planholder does not give

instructions as to the frequency of the payments, the amount will be paid in one payment at the end of the fiscal year.

The instructions must be given within a reasonable time prior to the beginning of the fiscal year to which they relate, or at another time if the Plan Carrier agrees. With the consent of the Plan Carrier, the Planholder may change the amount and frequency of the payments or request additional payments by instructing the Plan Carrier.

If the Planholder provided instructions regarding the amount and frequency of payments in a prior year, the Plan Carrier or the Agent may continue to apply these instructions to the payment of future amounts (assuming that these instructions remain acceptable under the applicable legislation and that the Planholder does not provide any new instructions).

The Planholder must give the Plan Carrier instructions as to which of the Locked-In Assets to sell where required in order to ensure that there is sufficient cash in the Plan to make the payments. If the Plan Carrier does not receive the instructions within a reasonable time before a payment is required, the Plan Carrier may sell any of the Locked-In Assets that the Plan Carrier, in its discretion, considers appropriate to provide the required cash; and the Plan Carrier will not be liable for any loss that may result from this action, including but not limited to investment losses or diminution of the Locked-In Assets, or for any related investment or administration expenses.

12. Amount of Annual Income

The amount of income paid out of the Plan during a fiscal year must not be less than the minimum amount prescribed for registered retirement income funds under the *Income Tax Act* (Canada). The amount of income paid out of the Plan during a fiscal year must not exceed the "maximum", being the greater of (i) and (ii) as follows:

- (i) the amount calculated using the following formula

$$C/F$$

in which

C = the value of the assets in the LIF at the beginning of the fiscal year and

F = the present value, at the beginning of the fiscal year, of a pension of which the annuity payment is \$1 payable at the beginning of each fiscal year between that date and the 31st day of December of the year in which the Planholder reaches ninety years of age; and

- (ii) the amount of the investment earnings, including any unrealized capital gains or losses, of the LIF in the immediately previous fiscal year.

13. Value of F.

The value of F in paragraph 11 of this Addendum must be established at the beginning of each fiscal year of the LIF using an interest rate as follows:

- a. for the first fifteen years after the date of the valuation, the greater of 6% per year and the percentage obtained on long-term bonds issued by the Government of Canada for the month of November preceding the date of the valuation, as compiled by Statistics Canada and published in the Bank of Canada Review under identification number V122487 in the CANSIM System; and
- b. for the sixteenth and each subsequent year, a rate of 6% per year

14. Additional Temporary Income

Subject to paragraph 14 of this Addendum, the Planholder is entitled to receive additional temporary income. The application for additional temporary income shall be on a form prescribed by the Superintendent and, where the Planholder is a former member of a pension plan, accompanied by the written consent of the Principal Beneficiary of the former member. The application must be submitted to the Plan Carrier at the beginning of the fiscal year of the Plan, unless otherwise permitted by the Plan Carrier.

The Planholder may receive additional temporary income where:

- a. the maximum amount of income the Planholder is entitled to receive for the calendar year in which the application is made, calculated as "B" under paragraph 14 of this Addendum, is less than 40% of the Year's Maximum Pensionable Earnings (YMPE) under the Canada Pension Plan for the calendar year in which the application is made; and
- b. the Planholder has not reached his or her 65th birthday at the beginning of the fiscal year in which the Planholder makes application for additional temporary income.

15. Amount of Additional Temporary Income

The amount of the additional temporary income paid out of the Plan in a fiscal year must not exceed the "maximum" using the following formula:

$$A - B$$

in which

A = 40% of the YMPE for the calendar year in which an application is made

B = the maximum amount of income the Planholder is entitled to receive from all LIFs, Locked-in Retirement Income Funds, life annuity contracts and pension plans governed by the Act or the pension benefits legislation of a designated province, as defined in the Act, or of Canada, excluding income from a pension under the Canada Pension Plan, and excluding any withdrawals due to financial hardship from a retirement savings arrangement, for the calendar year in which the application is made.

16. Initial Year

For the initial year of the Plan, the "maximum" in paragraphs 11 and 14 of this Addendum shall be adjusted in proportion to the number of months in that fiscal year divided by 12, with any part of an incomplete month counting as one month.

17. Maximum Where Assets Transferred from Another LIF or LRIF

If a part of the LIF corresponds to assets transferred directly or indirectly from another LIF or Locked-in Retirement Income Fund of the Planholder during the fiscal year, the "maximum" in paragraph 11 and 14 of this Addendum shall be deemed to be zero in respect of the part transferred in.

18. Maximum where Assets Transferred from Another Financial Institution

Notwithstanding paragraph 16 of this Addendum, the financial institution may allow money to be paid to the Planholder provided that the total amount received by the Planholder from all financial

institutions in respect of that part transferred in during the fiscal year does not exceed the "maximum" in paragraph 11 and 14 of this Addendum for that part. In this case, the financial institution must receive information, in writing, from the prior financial institution(s) which confirms the amount already paid in the fiscal year in respect of that part of the LIF.

19. Withdrawal Where Shortened Life Expectancy

Notwithstanding paragraphs 6, 9, 11, 12, 13, and 14 of this Addendum, the Planholder may withdraw Locked-In Assets as a lump sum or series of payments if a medical practitioner certifies that due to mental or physical disability the life expectancy of the Planholder is likely to be shortened considerably, but where the Planholder is a former member of a pension plan such payment may only be made if the Principal Beneficiary of the former member has waived the joint and survivor pension entitlement in a form and manner acceptable to the Superintendent.

20. Withdrawal Where Small Amount

Notwithstanding paragraphs 6, 9, 11, 12, 13 and 14 of this Addendum, the Planholder may withdraw all of the Locked-In Assets as a lump sum on application by the Planholder to the Plan Carrier for payment if, at the time the Planholder signs the application:

- a. the Planholder has reached age 55 or the member or former member would have been entitled to receive a pension benefit under the plan from which assets were originally transferred;
- b. the value of all assets in all LIFs, Locked-in Retirement Income Funds and Locked-in Retirement Accounts which are held by the Planholder subject to the Act is less than 40% of the YMPE for that calendar year;
- c. within the same fiscal year, the Planholder has not elected to receive additional temporary income under paragraph 13 or, where part of the LIF corresponds to amounts transferred directly or indirectly from another LIF or Locked-in Retirement Income Fund, the Planholder has not elected to receive additional temporary income from that LIF or Locked-in Retirement Income Fund; and
- d. within the same calendar year, the Planholder has not made a withdrawal due to financial hardship under section 20, or, where part of the LIF corresponds to amounts transferred directly or indirectly from a Locked-In Retirement Account, another LIF, or a Locked-in Retirement Income Fund, the Planholder has not made a withdrawal due to financial hardship from the original retirement savings arrangement.

An application under this paragraph shall be in the form approved by the Superintendent and, where the Planholder is a former member of a pension plan, accompanied by a waiver of the Principal Beneficiary of joint and survivor pension entitlement in the form and manner required by the Superintendent.

21. Withdrawals due to Financial Hardship

Notwithstanding paragraphs 6, 9, 11, 12, 13 and 14 of this Addendum, the Planholder may withdraw an amount as provided by subparagraph 20(c) from the Locked-In Assets as a lump sum due to financial hardship, subject to the following:

- a. An application for a withdrawal due to financial hardship under this paragraph must be made directly to the Plan Carrier;
- b. The Planholder may apply for withdrawal due to financial hardship once within a calendar year for each category of financial hardship described in subparagraph 20(c)(i);
- c. Subject to any requirements outlined in this section, a Planholder is eligible to complete an application to withdraw an amount not greater than the sum of the following amounts:

(i) An amount as provided by one of the following categories:

- Low Income: Where the owner's expected total income for the one year period following the date on which the application is signed, from all sources other than the withdrawal amount, is not more than 66.66% of the YMPE for the calendar year in which the application is signed, the amount determined by subtracting 75% of the expected total income from 50% of the YMPE for the calendar year in which the application for the withdrawal is signed;
- Medical Expenses: Where the owner is unable to pay for medical expenses incurred or to be incurred by the owner, the owner's principal beneficiary, or a dependent of either and the medical expenses are not paid by and are not subject to reimbursement from any other source, the amount required to pay such medical expenses;
- Disability-related Expenses: Where the owner is unable to pay for disability-related expenses incurred or to be incurred by the owner, the owner's principal beneficiary, or a dependent of either and the expenses are not paid by and are not subject to reimbursement from any other source, the amount required to pay such disability related expenses;
- Mortgage Payments: Where the owner or the owner's principal beneficiary has received a written notice in respect of a default on a mortgage that is secured against the principal residence of the owner or the owner's principal beneficiary which will result in foreclosure or power of sale if the default is not rectified, the amount required to rectify the default;
- Rental Arrears: Where the owner or the owner's principal beneficiary has received a written notice in respect of arrears in the payment of rent for the principal residence of the owner or the owner's principal beneficiary and the owner or the principal beneficiary could be evicted if the arrears remain unpaid, the amount required to pay the rental arrears; or
- First Month's Rent and Security Deposit: Where the owner is unable to pay the first month's rent and the security deposit required to rent a principal residence for the owner or the owner's principal beneficiary, the amount required to pay the first month's rent and the security deposit;

And

- (ii) The amount of any applicable tax required to be withheld by the Plan Carrier.

An application under this paragraph shall be:

- a. On a form approved by the Superintendent, and shall include any

supporting documentation required by the Regulations, which are specified on the form; and

- b. Where the Planholder is a former member of a pension plan, accompanied by the written consent of the Principal Beneficiary of the former member, in the form and manner required by the Superintendent.

22. Withdrawals due to Non-Residency

Notwithstanding paragraphs 6, 9, 11, 12, 13 and 14 of this Addendum, the Planholder may withdraw all of the Locked-In Assets as a lump sum where the Planholder provides the Plan Carrier with:

- a. A statutory declaration in accordance with the Evidence Act (Newfoundland & Labrador) confirming they have resided outside of Canada for at least two (2) consecutive calendar years and are residing outside of Canada on the date of signing the declaration; and
- b. Where the Planholder is a former member of a pension plan, the written consent of the Principal Beneficiary of the former member, in the form and manner required by the Superintendent.

23. No Assignment etc.

Money payable under a Plan with this Addendum may not be assigned, charged, anticipated or given as security by the Planholder.

24. Death of Planholder

On the death of a Planholder who is a former member of a pension plan who has a Principal Beneficiary, the surviving Principal Beneficiary, or where there is no surviving Principal Beneficiary or the surviving Principal Beneficiary has waived entitlement in the form and manner required by the Superintendent, a designated beneficiary, or where there is no designated beneficiary, the estate of the member or former member is entitled to the full value of the contract as a lump sum.

On the death of a Planholder who is not a former member of a pension plan, the full value of the contract shall be paid to the designated beneficiary or, where there is no designated beneficiary, to the Planholder's estate.

The Plan Carrier must receive satisfactory evidence of death, satisfactory evidence as to whether or not the Planholder had a spouse at the date of the Planholder's death, and any other documents as the Plan Carrier may require.

25. Survivors Benefit and Waiver

The benefit payable to the Planholder who has a Principal Beneficiary at the date payments begin to be paid out under the Plan shall be a joint and survivor benefit with at least 60% continuing to be payable to the survivor for life after the death of the Planholder unless the Principal Beneficiary waives the entitlement in the form and manner required by the Superintendent.

26. Transfers and Payments; Terms of Investments

All transfers and payments from the Plan are subject to the terms of the investments and will be subject to the withholding of any applicable tax and deduction of all reasonable expenses, costs, fees and charges. Transfers and payments may be made in cash or in kind, in accordance with the instructions of the Planholder and subject to the terms of the investments and the requirements of the Plan Carrier or the Agent.

27. Information to be Provided

At the beginning of each fiscal year, the following information must be provided to the Planholder:

- a. in relation to the previous fiscal year: the sums deposited, the amount of the investment earnings, including any unrealized capital gains or losses; the payments made out of the Plan and the expenses, costs, fees and charges against the Plan;
- b. the value of the assets in the Plan;
- c. the minimum amount that must be paid out of the Plan to the Planholder during the current fiscal year;
- d. the maximum amount of income as per paragraph 11 of this Addendum that may be paid out of the Plan to the Planholder during the current fiscal year; and
- e. if applicable, notification that the Planholder may be entitled to receive additional temporary income as per paragraph 13 of this Addendum during the current fiscal year.

If the balance of the Locked-In Assets is transferred as described in paragraph 6 of this Addendum, the information described in clauses (a) to (e) must be provided to the Planholder determined as of the date of transfer. If the Planholder dies, the information described in clauses (a) to (e) must be provided to the person entitled to receive the balance of the Locked-In Assets determined as of the date of the Planholder's death.

28. Plan Carrier's Responsibility

If the money is paid out of the Plan contrary to the Act or the Directive, the plan carrier will pay to the Planholder the pension benefit equal in value to the pension benefit that would have been provided had the money not been paid out, unless the payment is attributable to a false declaration by the Planholder.

29. Indemnity

Should the Plan Carrier and/or its Agent be required to make payments or to provide an annuity or a pension as a result of any Locked-In Assets being paid out or transferred otherwise than in accordance with the provisions of this Addendum, the Regulations, Directives or as may be required by applicable law, the Planholder will indemnify and hold

harmless the Plan Carrier and/or the Agent to the extent that Locked-In Assets were previously received by or accrued to the benefit of any of them or the Planholder's estate. This indemnity will be binding upon the Planholder's legal representatives, successors, heirs and assigns.

30. Amendment

No amendment shall be made to the Plan or this Addendum unless the Plan and this Addendum as amended remain in conformity with the Act, the Regulations and Directive No. 5 and with section 146.3 of the *Income Tax Act* (Canada).

An amendment that would result in a reduction of the Planholder's benefits under the Plan with this Addendum is permitted only where

- a. the Plan Carrier is required by law to make the amendment; and
- b. the Planholder is entitled to transfer the balance in the LIF under the terms of the Plan with this Addendum that existed before the amendment is made.

The Plan Carrier will give the Planholder at least 90 days' written notice and an explanation of any proposed amendment; and where the amendment would result in a reduction of the Planholder's benefits, the Plan Carrier must allow the Planholder at least 90 days after written notice of the nature of the amendment is given to transfer all or part of the Locked-In Assets. Notice of amendment must be sent by registered mail to the Planholder's address as set out in the records of the Plan Carrier, or, subject to receiving the authorization of the Planholder, be delivered to the Planholder by electronic means provided that the e-communication is accessible by the Planholder and capable of being retained to be usable for subsequent reference.

31. Headings and Renumbering

Headings in this Addendum are for ease of reference only and do not affect its interpretation. If any provision of the Pension or Income Tax Legislation referred to in this Addendum are renumbered due to a change in law, then that reference is considered to be updated to reflect the renumbering.

32. Conflict between Legislation and Addendum

If there is a conflict between the applicable Pension or Income Tax Legislation and this Addendum, the Legislation will prevail to the extent necessary to resolve the conflict.

The Newfoundland & Labrador Pension Benefits Regulations require that spousal consent be obtained when a Planholder enters into a Newfoundland & Labrador LIF. The information below is the prescribed spousal consent form provided by the government of Newfoundland & Labrador.

For administrative use:

If a LIF account is opened for a transfer from a pension fund, a life annuity or a locked-in plan at another financial institution, make sure: a Locking-In Agreement has been received and signed, and the jurisdiction indicated in the Locking-In Agreement is Newfoundland and Labrador.

If a LIF account is being opened for an internal transfer, (i.e. from a LIRA at the same financial institution) make sure the jurisdiction of the LIF is the same as the LIRA (i.e. Newfoundland and Labrador).
